

Students, parents(s), and staff members need only sign this *Authorization for Electronic Network Access* once while enrolled or employed by the School District.

I understand and will abide by the above *Authorization for Electronic Network Access*. I understand that the district and/or its agents may access and monitor my use of the Internet, including my e-mail and downloaded material, without prior notice to me. I further understand that should I commit any violation, my access privileges may be revoked, and school disciplinary action and/or appropriate legal action may be taken. I understand that the system's security aspects, such as personal passwords and the message delete function for e-mail can be bypassed, and the District's ability to monitor and review is not restricted or neutralized by these devices. Finally, I understand that the monitoring and reviewing process also includes oversight of Internet access and of document downloading and printing.

In consideration for using the District's electronic network connection and having access to public networks, I hereby release the School District and its Board members, employees, and agents from any claims and damages arising from my use of or inability to use the Internet.

I will hold harmless the District, its employees, agents or Board members, for any harm caused by materials or software obtained via the network. I accept full responsibility for supervision if and when my child's use is not in a school setting. I have discussed the terms of this *Authorization* with my child.
